

Summer Camp Offerings 2024

Executive Functions Institute

We are excited to be offering a variety of camps this summer that celebrate the fun and friendships of summer, while supporting the ongoing growth and development of kids and teens.

Courses

Length: 4 consecutive days, Monday through Thursday

Times: 9:00 am-11:00 am OR 1:00 pm-3:00 pm (depending on course)

Camps

Length: Single session, half-day, 3-hours

Times:

9:00 am-12:00 pm OR 1:00 pm-4:00 pm (depending on the session)

Registration

Registration for all courses and camps is available through this link. Camps are limited to 6 students for each session or course. Spots are filled on a first come, first served basis. You may register your child for multiple sessions using one registration form. Please complete a separate registration form for each child being registered. Once your registration has been received, you will receive an email confirmation within 48 hours, along with instructions for payment. **Register using this url or select any of the links on the following pages:**

Candyland Math Expedition	\$99
<p>Embark on a delicious adventure of learning and fun at our Candyland-themed addition and subtraction camp designed specifically for students in grades 1-3. Our expertly crafted camps are designed to make addition and subtraction not just educational but absolutely delightful for young minds! Register here!</p>	
<p>Grades 1-3 9:00 am - 12:00 pm July 15, July 17, August 12, August 14</p>	
Executive Functions	\$350
<p>This course will teach students about all of the executive functions in a hands-on, fun way. Students will complete a self-assessment, create SMART goals, and build an action plan to implement some strategies at home and at school. Register here!</p>	
<p>Grades 5-8 9:00 am - 11:00 am July 15-18 Grades 9-12 1:00 pm - 3:00 pm July 15-18</p>	
Candyland Math Expedition - Multiplication and Division	\$99
<p>Step into the enchanting world of Candyland, where math becomes a delectable adventure! Our Candyland-themed Math Camp is crafted to captivate and inspire young minds in grades 4-6, focusing on multiplication and division skills. Join us for an afternoon of sugary challenges, candy-coated quests, and a journey toward mathematical mastery. Register here!</p>	
<p>Grades 4-6 1:00 pm - 4:00 pm July 15, July 17, August 12, August 14</p>	
Word Wizards	\$99
<p>Welcome to the Word Wizards camp, a magical journey designed for young learners in Grades 1-3 and 4-6 to explore the enchanting world of words, sentences and paragraphs. In this engaging course, students will embark on a fun-filled adventure to develop essential literacy skills, laying the foundation for confident reading and effective communication. Register here!</p>	
<p>Grades 1-3 9:00 am - 12:00 pm July 16, July 18, August 13, August 15 Grades 4-6 1:00 pm - 4:00 pm July 16, July 18, August 13, August 15</p>	
Study Skills	\$350
<p>This course will teach students valuable skills such as note-taking, test-taking, answering different types of questions and active study strategies. Students will choose a topic of interest to use as the basis for trying out study strategies using a variety of tools. Register here!</p>	
<p>Grades 5-8 9:00 am - 11:00 am August 12 - 15 Grades 9-12 1:00 pm - 3:00 pm August 12 - 15</p>	

Future Leaders	\$99
Exploring the skills of resourcefulness, planning and goal-setting through a vision board, teens examine their values and passions and how to use leadership skills to help themselves and those around them. Register here!	
Grades 8-12 9:00 am - 12:00 pm July 26, August 23	
STEM Builders - Marble Run Wall	\$99
Students will work collaboratively to create a marble run wall. Through planning and experimenting, students will design a marble run that contains certain elements such as a funnel, a flip flop and a rocking plane. Register here!	
Grades 5-8 9:00 am - 12:00 pm July 22, August 19 Grades 9-12 1:00 pm - 4:00 pm July 22, August 19	
STEM Builders - Simple Machines	\$115
Students will build simple machines from STEM kits and then put their machines to the test through various student-created skills challenges. Register here!	
Grades 5-8 9:00 am - 12:00 pm July 26, August 23 Grades 9-12 1:00 pm - 4:00 pm July 23, August 20	
Kid Power	\$99
Through fun activities and games, this camp helps kids navigate friendships, making positive choices, learning how to build their own self esteem and support their peers. We will explore how kids can influence positive change within their community. Register here!	
Grades 5-8 1:00 pm - 4:00 pm July 23, August 20	
Beginner Bakers	\$115
Students will learn basic baking techniques, following recipes and applications in math through two different recipes. Register here!	
Grades 5-8 1:00 pm - 4:00 pm July 24, August 21 Grades 9-12 1:00 pm - 4:00 pm July 25, August 22	
Art Planet	\$115
Using items found in nature, students will design a t-shirt to take home and cyanotype art. Students will spend much of the time outside, gathering materials and participating in "plein air" (outdoors) art. Register here!	
Grades 1-4 9:00 am - 12:00 pm July 26, August 23 Grades 5-8 1:00 pm - 4:00 pm July 25, August 22 Grades 9-12 1:00 pm - 4:00 pm July 24, August 21	

Science Lab - Changing States of Matter	\$115
Be a scientist in this exciting hands-on camp that explores simple, safe experiments with everyday ingredients that affect the state of matter. Students will measure, add, create and record their observations! Register here!	
Grades 1-3 9:00 am - 12:00 pm July 22, August 19	
Kitchen Science	
Using utensils and food found in the kitchen, students will conduct safe, hands-on experiments that explore electrochemical and chemical reactions. Register here!	
Grades 4-6 1:00 pm - 4:00 pm July 22, August 19	
Money Matters	\$99
Students learn the foundations of financial literacy and the implications of financial decisions through games, scenarios and collaborative problem-solving activities. Register here!	
Grades 1-3 9:00 am - 12:00 pm July 24, August 21 Grades 4-7 1:00 pm - 4:00 pm July 24, August 21 Grades 8-12 9:00 am - 12:00 pm July 22, August 19	
Social Savvy/ Social/Emotional Savvy	\$99
Students explore various social situations and practice the skills of social interaction through scenarios, games and collaborative challenges. Register here!	
Grades 1-3 1:00 pm - 4:00 pm July 25, August 22 Grades 4-6 9:00 am - 12:00 pm July 25, August 22 Grades 7-8 9:00 am - 12:00 pm July 24, August 21 Grades 9-12 9:00 am - 12:00 pm July 23, August 20	
Snack Attack	\$115
Students will create simple and healthy snack recipes highlighting measurement, safe food handling, food presentation and creativity. Register here!	
Grades 1-4 1:00 pm - 4:00 pm July 23, August 20 Grades 5-8 9:00 am - 12:00 pm July 25, August 22 Grades 9-12 9:00 am - 12:00 pm July 24, August 21	
DnD For Life	\$99
This session is for students passionate about DnD. Students will relate the learnings and skills of DnD to the challenges of real life and explore positive problem-solving methods. Register here!	
Grades 4-7 9:00 am - 12:00 pm July 23, August 20 Grades 8-12 9:00 am - 12:00 pm July 25, August 22	

Teen Art Flow/ Art Flow Exploration	\$115
<p>Through the mediums of zentangles and alcohol inks, students will explore art as a means of self-reflection, emotional expression and focus, introducing a creative outlet away from screens! All materials provided. Register here!</p>	
<p>Grades 4-7 1:00 - 4:00 pm July 26, August 23 Grades 8-12 1:00 - 4:00 pm July 26, August 23</p>	
B2S (Back to School) - Set for Success	\$350
<p>This course focuses on organization for the school year ahead. Students set academic, social and personal goals, and create an action plan to incorporate some new strategies and habits into their routine. Register here!</p>	
<p>Grades 1-4 9:00 am - 11:00 am August 26-29 Grades 5-8 9:00 am - 11:00 am August 26-29 Grades 9-12 1:00 pm - 3:00 pm August 26-29</p>
